

## Corporate Sponsorship Form

The Information Technology Association of the Gulf Coast (itgulfcoast) is a non-profit organization for information technology professionals. It's about collaboration! **Corporate sponsorships** fund our college scholarship program. Each year we give at least two scholarships to local IT students attending PJC and UWF.

Our mission is to promote development and growth of the IT industry in this region. Our members represent counties in Northwest Florida (Escambia, Santa Rosa, Okaloosa, and Walton) as well as counties in South Alabama (Mobile and Baldwin). Our sponsors receive recognition on the website and at all of our monthly meetings. Sponsors are invited to participate on the board of directors and to be a speaker at one of our monthly meetings each year. Scholarships are usually awarded at our August meeting.

To become a sponsor is easy.

1. Fill out this form and return with a company check payable to ITGULFCOAST.ORG for at least \$300.
2. Email your company logo or banner graphic and a one or two paragraph company description to [sponsors@itgulfcoast.org](mailto:sponsors@itgulfcoast.org). Recommended size is 90 by 175 pixels in JPG format. Background should be white or transparent.
3. We will send an annual invoice in the first quarter of each year to the contact person listed for your company.
